*Price List to Planters*

# AVENUE NURSERIES

*Spring 1918*

W. B. COLE, PROPRIETOR  
PAINESVILLE, OHIO

List of varieties and prices subject to change to conform to our stock and condition of trade at the time the order is given. Office and grounds one and one-half miles west of Painesville, on Mentor Avenue, and 28 miles east of Cleveland. C. P. & E. cars every hour from Cleveland and Painesville. Stop 79 is in front of our office and grounds. Painesville Telephone No. Main 97, connecting with Long Distance Independent Lines. Bell Telephone No. Main 77-W.

## **TO OUR PATRONS**

We have carefully arranged prices in this list for each, ten, and one hundred lots, so as to be fair to both the small and large purchaser.

Prices are for regular grade of No. 1 stock of size specified. We reserve the privilege of charging extra for stock personally selected by customer, or for trees of extra heavy caliper, for scarce sorts, or long list of varieties.

One to ten trees or plants at each rates. Ten to fifty at ten rates. Fifty or more at one hundred rates.

Stock will be boxed, baled or crated, and delivered at freight or express office at Painesville, Ohio, in good condition without extra charge, purchaser to pay freight and express charges. We will furnish estimates on freight or express charges when requested. Small fruits and other plants can be sent by mail, in which case the postage will be added to bill. Strawberry plants should always be forwarded by express.

We have aimed to give description of size and grade that will be easily understood. Would be pleased, however, to give any further information wanted by correspondence.

We are growers of nursery stock with thirty years experience and have over two hundred acres of land devoted to the business. We have a large, modern cellar for storage, equipped with convenience for grading, packing and handling nursery stock with the least possible exposure and greatest dispatch.

## **TIME TO PLANT**

Nursery stock can be shipped and planted any time during the dormant season from October 1st to May 1st, when weather is favorable.

## **RESPONSIBILITY**

We endeavor to send our patrons the grade and quality of stock ordered. We do not guarantee our products or assume any responsibility after they leave our nursery, as conditions always exist over which we have no control. It is understood, in case of error on our part, that we shall not be held responsible for a greater amount than the price paid.

## **TERMS**

Three per cent. discount for cash with order or before shipment. To parties having a satisfactory credit arrangement or account with us, two per cent. ten days or thirty days net.

Reference—Cleveland Trust Co., Painesville, Ohio.

## BUSINESS TO WIN

To win now and after the war there are other essentials besides arms and ammunitions. Good health and morale at home is only second in importance to the soldier at the front. There is no better way to conserve health than to maintain the fruit supply or to keep up good cheer than to make the home surroundings beautiful. It is not only our privilege but our duty to plant for both objects to the extent of our ability.
